

Presented by Downtown Perrysburg Inc.

Winter 2018 is right around the corner and this year Perrysburg Winterfest is **"Going for The Gold"**! Our annual event coincides with the return of the Winter Olympics and allows all who participate to celebrate the magic of the season.

Winterfest comes back to the Downtown Perrysburg community **February 9&10** and we hope you will join us in bringing this tradition back to our over 15,000 visitors. Festive lights will dance from above while families watch ice sculptures come to life in front of them. Live music, tasty food and tons of activities are also on tap over our two-day celebration where friends and families pack the streets.

As we strive to make this an even greater success for our community, we ask your organization to consider partnering with us to help achieve this highly anticipated event. You won't want to miss the opportunity to promote your company to the **15,000+** people expected to attend and hundreds of thousands that see event marketing on the internet, radio and television!
